

March 16, 2020

CBMS Bear Family,

First of all, let me just say how appreciative we are of having such wonderful support from our parents and community during this unprecedented time. Our plan for this week is listed below. We are working to provide our students with meaningful learning opportunities throughout the week. This will take all of us working together to make this happen. Teachers communicated with students on Friday of how they can access digital resources to complete relevant learning experiences.

Sincerely,
Mr. Robert Wilson
Principal

Here is our schedule for week one. Your child should complete the following lessons:

DIGITAL LEARNING WEEK
WEEK OF MARCH 16TH - 20TH
